

E-BIKES/SCOOTERS

Stay Safe

Wear a helmet

It's the law for everybody age 17 and under.
It's recommended for all riders.

Use lights at night

At least one blinking light in the front (white) and rear (red).

Ride on the right

With traffic, not against it.

No passengers

Single riders only.

Make eye contact

Especially at intersections, make sure to make eye contact with drivers and pedestrians.

Obey signs and signals

Make a complete stop at all stop signs and red traffic signals. Proceed only when light turns green.
